## EXHIBIT 2019-042

Honorable Linda Woodard  
Board of Trustees  
Village of Cayuga Heights

Monthly Report June 2018

June was a relatively slow month at the fire department with a total of 37 calls. We had 18 calls in the Village of Cayuga Heights, 16 calls in the Town of Ithaca and 3 requests for mutual aid. There were 17 EMS calls and 20 fire runs. It was another fairly standard month with a mix of EMS and fire runs. We did have a 10 day stretch during the month with only four calls (which also happened to be the 10 days the chief was out of the country!).

Training has slowed as we enter the summer months and members are in and out of town. We did a ground ladder training on June 6<sup>th</sup>. This training was run by Lt. Savoy. We can always tell when the ladder training is done because pictures of windows and doors appear on the brickwork at the back of the station. It's a great way to identify proper placement of ladders without getting near real windows. Late in the month we did an "Etiquette on EMS calls" training. This training was run by one of our most active EMTs Sophie Janowsky. Sophie used the time to teach about how to approach patients and family and also how to interact with the incoming ambulance crews to expedite smooth handover of care and movement of the patient to the ambulance. Lt. Savoy has been holding fitness sessions every week. In these sessions members get in full gear and run through the CPAT (Candidate Physical Abilities Test). This is the physical skills test that members must pass to get through the Interior Firefighter Operations class.

All of the light fixtures at the station have been switched over to LEDs. Richardson Brothers Electric came to the station and over two days removed all of the old light ballasts and replaced the can lights to LED. We did remove over half the hall and common area lights in the bunker area and these areas are still well lit. It took some time for everyone to adjust the brightness of the area as many of the lights have not worked for some time. The increase in light also led to a vigorous cleaning of the bunker area because the bunkers were suddenly able to see the dirt that the lack of light was hiding.

Movies at the station are in full swing. Our first movie, Peter Pan, was very well attended. We skipped the 4<sup>th</sup> of July Wednesday and will continue with Charlottes Web on July 11<sup>th</sup>. Dos Amigos is committed to providing great food for the summer and our members are excited to have the kids at the station.

We will have two open bunker rooms in the near future. Margaret Gao will be heading to medical school in August and will turn her room over to Sophie Janowksy. Lt. Blake Berger, who has been with us for many years, will be leaving for a job in California in September and will turn his room over to Nick Supron. Blake and Margaret will be greatly missed but Sophie and Nick are both interior firefighters and EMTs and will be great additions to the bunker staff.

We will be setting the dates for the Fall 2018 recruit class in August. We are already getting emails from people expressing interest in volunteering and we have not started the recruiting process yet.

Sincerely,

George Tamborelle  
Fire Chief/Fire Superintendent

**A LOCAL LAW TO AMEND**

**THE VILLAGE OF CAYUGA HEIGHTS ZONING LAW**

**SECTIONS 3.3, “DEFINITIONS,” AND 5.3, “PERMITTED ACCESSORY BUILDINGS AND USES” IN THE RESIDENCE ZONE**

**TO PERMIT THE KEEPING OF CHICKENS**

Re: Report of the Police Department for June 2018

In the month of June, the police department received 367 calls for service. In addition to these calls 75 uniform traffic tickets were issued and 7 parking violations were cited. A breakdown of the calls for service is as follows:

There were no Felony incidents handled.

3 Penal Law Misdemeanor complaints were handled which led to 4 arrests; 1 for Fraud and 2 for Domestic. The Fraud complaint consisted of a resident stating that they received 3 phone calls from a subject stating they had allegations against them and that they needed to send money. The on-duty officer assured the complainant that the calls were a scam. The officer attempted to contact the suspect callers but was not able to make contact. Investigation into 2 Domestic incidents led to charges of Criminal Obstruction of Breath/Blood Circulation, Assault 3<sup>rd</sup>, Criminal Mischief 4<sup>th</sup>, and 2 counts of Endangering the Welfare of a Child.

3 Vehicle and Traffic stops led to 3 charges of Aggravated Unlicensed Operation of a Motor Vehicle 3<sup>rd</sup>.

2 Local Law Violations were handled, 1 for Noise 1 for Open Burning. The Noise complaint was reported as a shots fired incident. After investigation it was determined that Cornell University was conducting a bird removal procedure through use of a cannon. Cornell staff followed up with the complainant. The Open Burn was observed by the on-duty officer who came upon 3 subjects making a small fire in Sunset Park. All three were advised of the dangers of a brush fire spreading and that they could be cited under the village's local law. The fire had already been extinguished upon officer's arrival.

2 Mental Hygiene incidents were received. After investigation of a domestic incident (mentioned above) a subject was taken into custody under the MHY 9.41 Law. Another subject was taken into custody under the same law after follow up of a Check the Welfare complaint.

There were 4 motor vehicle accidents reported, none involving deer.

In summary 6 persons were arrested and the following 6 charges were filed: 3-Aggravated Unlicensed Operation MV 3<sup>rd</sup>, 1-Criminal obstruction of Breath/Blood Circulation, and 2-Taken into Custody/Mentally Ill.

Over the course of the month the following trainings and events took place: On the 16<sup>th</sup> Officer Mike Gray participated in the Ithaca Community Childcare Center's fundraising event The Things on Wheels Truck Show. On the 20<sup>th</sup> Police Clerk Jackie Carr attended CIRIS, Critical Infrastructure Response Information System, training offered by Tompkins County Probation.

The full-time officers worked a total of 44 hours of overtime and the part-time officers worked a total of 193 hours.

Sincerely,

Chief James Steinmetz
