4. Privilege of the Floor: Village Resident Ilene Lambiase has some areas of concern she would like to address.

- I. Lambiase asks Village Engineer B. Cross about the new Cayuga Medical Office medical and if they are at full capacity since parking at Corners Community seems to be difficult already. B. Cross states that they are at full capacity.
- I. Lambiase is also concerned about the residential aspect impact of this project. She would like to see the project revisit the building setback requirements and more details on the size, and number of units this project will have.
- I. Lambiase also expresses her appreciation for all the hard work the Board put forth in receiving the various grants mentioned in Village Voices.

5. Report of Mayor Woodard:

a. Public Hearing on Proposed Local Law D of 2019-Sump Pumps:

Board Discussion:

- Clerk Walker informed the Board that he notified the Board of Realtors making them aware of this proposed law.
- Trustee Marshall asks how long a inspection will take to complete. B. Cross states he could complete an inspection in two hours.
- Mayor Woodard states that modifying the effective date to January 1, 2020 would allow the Village time to educate the public of this new local law and establish a proper fee schedule.
- Trustee McMurry states that ninety days might not be enough time to correct a illegally connected sump pump. There should be some language offering an extension.

- Trustee Friend asks how difficult it would be to disconnect a sump pump connected to the sanitary sewer line. B. Cross states that is just a matter of disconnecting the line to the sewer line. The bigger issue is reconnecting the sump pump and properly running water lines out away from the house.

- Trustee Marshall suggests the Village Staff contact local home inspection companies to make them aware of this new law.

- The Board agrees to have attorney Marcus incorporate language in the new draft providing a extension past 90 days.

-Mayor Woodard opens the Public Hearing at 7:33 p.m.

-Mayor Woodard adjourns the Public Hearing until the November 18, 2019.

3. Report of Fire Superintendent Tamborelle: Submitted Report (Exhibit 2020-078)

- Fire Superintendent Tamborelle states that there are 17 new volunteer firefight recruits that have started training.

- The CHFD will be looking to purchase a new ladder truck. There is a 14 month build out for a new latter truck. Fire Superintendent Tamborelle will meet with a Brindley Mountain Fire Apparatus buyer to determine what the current ladder truck is worth.

- Village Treasurer J. Mangione reminded the Board that there is an election in March that could impact the Board entering a contract before the election. The 2020 Village Election will be held on March 18, 2020.

- The Village property at 825 Hanshaw Road needs some upkeep and maintenance. Director of Public Works, M. Wiese will schedule the DPW to complete the repairs.
