License Regulations

6 NYCRR Part 175
ECL 11-0515 (1)
6 NYCRR Part 189

**LICENSE TO COLLECT OR POSSESS: SCIENTIFIC - LICENSE
CONDITIONS**

- 1. Cayuga Heights – Authorized Species** The licensee and/or designated agents are authorized to capture, possess, transport and release up to one hundred forty-five (145) female white-tailed deer (WTD) for the purpose of surgical sterilization.
- 2. Cayuga Heights – Authorized Trapping Techniques** The licensee and/or designated agents are authorized to capture WTD using drop nets, clover traps, and remote chemical immobilization using dart syringes.
- 3. Cayuga Heights – Authorized Bait** The licensee and/or designated agents are authorized to bait WTD using whole kernel corn or apples provided that:
 - i) bait is not placed more than five (5) days prior to any capture attempts
 - ii) bait shall not contain any animal proteins; and
 - iii) bait shall be removed immediately upon completion or suspension of activities.
- 4. Cayuga Heights – Authorized Location** The licensee and/or designated agents are authorized to trap WTD at the following locations only: public and private lands within the Village of Cayuga Heights, with permission of the property owner.
- 5. Cayuga Heights – Capture of Male WTD** The licensee and/or designated agents may capture and temporarily possess up to thirty (30) male WTD for purposes of tagging. All captured male WTD shall be released at the site of capture.
- 6. Scientific Collection - LCP - Collection of Endangered or Threatened Species Prohibited** The licensee shall not collect or possess any endangered/threatened species pursuant to this license.
- 7. Cayuga Heights – Veterinarian Requirement** The licensee and/or designated agents who perform surgery for sterilization of WTD shall be a veterinarian licensed to practice in the State of New York.
- 8. Cayuga Heights – Federal and State Licensing Requirements** The licensee and/or designated agents shall possess a valid U.S. Drug Enforcement Administration license and, if required, a valid NYSDOH (<http://www.health.ny.gov/professionals/narcotic/license>) when using controlled drugs pursuant to this license.
- 9. Cayuga Heights – Authorized Procedure** The veterinarian may only perform tubal ligation or ovariectomy as a means of sterilization of female white-tailed deer collected and possessed pursuant to this license.
- 10. Cayuga Heights – Care of WTD** The veterinarian shall provide direct oversight of the handling and

License to Collect or Possess: Scientific # 1708

transport, surgical procedures, surgical monitoring and support, post-operative monitoring and euthanasia of all female WTD.

11. Cayuga Heights – Anesthesia/Analgesia Requirements The veterinarian shall ensure that anesthesia and analgesia are adequate for the duration of the surgery, including providing supplemental inhalant anesthesia and oxygen or an IV catheter for rapid administration of supplemental injectable anesthetic drugs.

12. Cayuga Heights – Oxygen Requirements The veterinarian shall ensure that inhaled oxygen via face mask or nasal catheter is available for supplementation during surgery if inhalant anesthesia is not being used.

13. Cayuga Heights – Supervision of Sedated WTD Sedated deer shall not be left unsupervised on the landscape to recover. The licensee or his or her designated agents shall remain with post-operative sedated deer until the animals fully recover and they are ambulatory. Reversal agents shall be given when reversible anesthetic drugs are administered to minimize recovery time.

14. Cayuga Heights – Post Operative Pain Medication Requirement The veterinarian shall provide long acting, post-operative pain medication to all WTD sterilized under the authority of this license. Such pain medication shall be administered during the surgical procedure. The use of phenylbutazone is prohibited.

15. Cayuga Heights – Mandatory Marking of WTD Sedated with Ketamine/Xylazine The veterinarian or designated agents shall permanently mark all WTD sedated with Ketamine/Xylazine with numbered ear tags stating the date the drugs were administered, phone number of the veterinarian and a warning prohibiting the consumption of the meat from the WTD for at least 45 days from the date the drugs were administered.

16. Cayuga Heights – Mandatory Marking of WTD Sedated with Telazol The veterinarian or designated agents shall permanently mark all WTD sedated with Telazol with numbered ear tags stating the phone number of the veterinarian and a warning prohibiting the consumption of the meat from the WTD.

17. Cayuga Heights – Mandatory Euthanasia of non-releasable WTD The veterinarian shall euthanize any WTD that is injured and found to be unable to survive in the wild.

18. Cayuga Heights – Release of WTD The licensee or designated agents shall release sterilized WTD only within the Village of Cayuga Heights, with the permission of the landowner.

19. Cayuga Heights – Disposal of Carcasses The carcasses of any WTD with anesthetic drugs or euthanasia agents in their tissues shall be deemed unfit for human consumption and disposed of in a manner that prevents secondary toxicity to scavengers.

20. Cayuga Heights – Mandatory Maintenance of Veterinary/Medical Reports The veterinarian shall prepare and maintain a veterinary report/medical record of each WTD including drug protocol and dosage used, total anesthesia time, surgical notes and materials used, sterilization technique employed, pregnancy status, age of the animal, recovery time, any complications and ear tag number.

21. Cayuga Heights – Mandatory Notification of Death or Euthanization of WTD The licensee or designated agent shall notify the Regional Wildlife Manager or his designee by phone (607-753-3095) or email (sjjoule@gw.dec.state.ny.us) within 24 hours of any WTD that were euthanized or died due to handling or surgery complications, and surrender said deer to the Department of Environmental Conservation upon request.

License to Collect or Possess: Scientific # 1708

22. Scientific Collection - Authority to Designate Agents The licensee is authorized to designate agents to assist the licensee with the listed animals while conducting activities authorized pursuant to this license provided that:

- a. the licensee submits a written request to the NYSDEC Special Licenses Unit at the address listed on the front of this license containing the:
 - i) name
 - ii) address
 - iii) age
 - iv) phone number of the person he or she is nominating as a designated agent, and;
- b. the licensee receives an amended license from the Special Licenses Unit listing the designated agents he or she has nominated before that person can conduct activities authorized by this license.

23. Authorized Designated Agents The following Designated Agents are authorized: Anthony DiNicola, Paul Curtis, Jason Boulanger, Michael Ashdown and individuals officially employed by and under the direct supervision of any of these agents.

24. Cayuga Heights – Mandatory Notification of Regional Wildlife Manager The licensee shall notify Mr. Steven Joule, Regional Wildlife Manager, Cortland, NY by phone (607-753-3095) or email (sjjoule@gw.dec.state.ny.us) within 48 hours of any planned field activities associated with the implementation of this permit. Mr. Joule or his designees may observe any and all field operations conducted pursuant to this permit by notifying the licensee or designated agent within 24 hours of planned field operations.

25. Cayuga Heights – Reporting Requirements The licensee shall file a written annual report prior to May 31st of each year the license is effective. Such annual report shall contain: a) name of the licensee, b) license number, c) location(s) of collection, d) date(s) of collection, e) number of WTD collected (by age and gender), f) biological data collected g) final disposition of collected animals, h) copy of the veterinary report/medical record, and i) any technical or scientific reports or analyses produced by the licensee as a product of the aforementioned authorized activities. The licensee shall send this report to the NYSDEC Special Licenses Unit 625 Broadway, Albany, NY 12233-4752.

GENERAL CONDITIONS - Apply to ALL Authorized Licenses

1. GC – Licensee Shall Read All Conditions The licensee shall read all license conditions prior to conducting any activities authorized pursuant to this license.

2. GC – License is Not Transferrable This license is not transferrable and is valid only for the person identified as the licensee.

3. GC – Licensee Responsible for Federal, State or Local Permits/Licenses The licensee is responsible for obtaining any and all necessary, corresponding Federal, State or local permits or licenses prior to conducting any activity authorized pursuant to this license.

4. GC – Reasons for Revocation This license may be revoked for any of the following reasons:

- i. licensee provided materially false or inaccurate statements in his or her application, supporting documentation or on required reports;
- ii. failure by the licensee to comply with any terms or conditions of this license;

License to Collect or Possess: Scientific # 1708

- iii. licensee exceeds the scope of the purpose or activities described in his or her application for this license;
- iv. licensee fails to comply with any provisions of the NYS Environmental Conservation Law, any other State or Federal laws or regulations of the department directly related to the licensed activity;
- v. licensee submits a check, money order or voucher for this license or application for this license that is subsequently returned to the department for insufficient funds or nonpayment after the license has been issued.

5. GC – Licensee Shall Carry Copy of License The licensee shall carry a copy of this license or a document provided by the department, if relevant, when conducting activities pursuant to this license.

6. GC – Licensee Shall Notify of Change of Address The licensee shall notify the Special Licenses Unit in writing, by mail or email, within five (5) days of the official change of residence.

7. GC – Licensee is Liable for Designated Agents If designated agents are authorized pursuant to this license, the licensee shall be liable and responsible for any activities conducted by designated agents pursuant to this license or any actions by designated agents resulting from activities authorized by this license.

8. GC – Licensee Renewal The licensee shall submit a written request for the renewal of this license prior to the expiration date listed on the license. The licensee shall include accurate and complete copies of any required reports with their renewal request. This renewal paperwork shall be sent to:

NYSDEC
Special Licenses Unit
625 Broadway
Albany, NY 12233-4752.

This license is deemed expired on the date of expiration listed on the license.

NOTIFICATION OF OTHER LICENSEE OBLIGATIONS

MN– Licensee is Liable

The licensee shall be liable and responsible for any activities conducted under the authority of this license or any actions resulting from activities authorized by the license.

MN – Access by Law Enforcement

The licensee shall allow representatives of the NYS DEC Division of Law Enforcement to enter the licensed premises to inspect his or her operations and records for compliance with license conditions.

Trespassing Prohibited

This license is not a license to trespass. The licensee shall obtain permission from the appropriate landowner/land manager prior to conducting activities authorized pursuant to this license
