Sunset Park Use Survey

Village of Cayuga Heights, with help from the staff at Whitham Planning Design Landscape Architecture will be seeking input from Village residents to learn how you use the park and to understand existing opportunities to improve the park.

We have designed a very short 10 question survey, which opens today to help us understand how often you visit the park, what you do while there, and what features or amenities would make your time in the park more enjoyable. Please follow this link: <https://www.surveymonkey.com/r/FYWFWZX> and fill out the survey as soon as possible and encourage your family members and neighbors to do the same.

Save the date: Sunset Park Design Open House at Marcham Hall on Sunday, May 7th from 2-4pm.
